

Howard G. Burningham
Candidate for Trustee

I have been a lifelong resident of South Davis County. I currently enjoy serving as a trustee for the South Davis Sewer District board of trustees. My mission has been to provide high quality wastewater treatment while keeping rates low for our residents. In my 19 years serving on the Board, rates have not increased.

I enjoy spending time with family, and been married to my high school sweetheart (Vicki) for 57 years. We have five children and 19 grandkids, and 17 great grandkids..

I believe my experience will continue to prove invaluable for the residents of the South Davis Sewer District. Thank you for your inquiry.
