

PAY YOUR SEWER BILL ELECTRONICALLY

For the convenience of our customers, the South Davis Sewer District has two options to pay the semi-annual billing in January and July.

ACH DIRECT PAYMENT: This option automatically withdraws the semi-annual payment from the customers checking account. The customer can receive an email statement and/or a paper bill. These notices will include a reminder that an ACH payment will be processed.

BANK BILL PAY: Most banks offer this service. The bank will send the payment to the District. If this option utilized, be sure to include the -00 or 00 on the end of your District account number so your account can be found electronically. The District account number stays with the property and is not transferred if a customer moves to a different location within the District. If a customer moves the District account number will need to be changed.

The South Davis Sewer District does not accept debit or credit cards.

NEW RATE SCHEDULE
